

New Caterers at Chatswood Golf Club!

Starting from June 1st, Saffron Food Services, husband and wife pair Chef Ryan & Megan Baird and their team will be joining the Chatswood Golf Club family by taking over all catering operations, and launching the newly renovated clubhouse and restaurant. Saffron Food Services will serve only the best and freshest produce in simple and tasty dishes; such as the ever popular BLT for lunch, rustic Italian pastas, all day big breakfasts on the weekend, themed nights regularly and pizzas to share all day.

Chef Ryan has almost 20 years experience in the hospitality industry and has won numerous awards throughout his career so far. He started his career in the Hunter Valley as an apprentice and has worked all over Australia; from a prestigious Hunter Valley Golf resort, to supervising the sponsor's kitchen at the Australian Open in VIC, and large resorts in the NT as well as working in New Zealand. Megan has a Bachelor of Business and her background stems from business finance, management and marketing. Megan has been working in the hospitality industry for almost 10 years, and has helped build Saffron Food Services into a successful catering company. Megan & Chef Ryan have worked throughout NSW together in restaurants, cafes, clubs and also schools. They are now bringing their experience, drive and passion to Chatswood Golf Club. Ryan is also hoping to improve his golf game and looks forward to meeting some of you out of the kitchen and on the golf course.

Ryan and Megan have two children, Hamish and Archer (3½ and 1 years old respectively) and look forward to adding them into the Chatswood Golf Club family (and to eventually have them playing golf too!)

The Saffron Food Services team will include front of house manager Laura Hancock. Laura began her career in events in Sydney with a high end wedding and events manager after completing a Bachelor of Tourism Management. Currently, Laura is on the Gold Coast where she has been working as Business Development and Events Manager for one of the leading event theme and production companies in QLD. She spearheaded the company's re-branding as well as expanding and bringing new and creative designs to clients. Laura's expertise and passion for the hospitality industry and events will ensure that the Chatswood Golf Club members and guests have an enjoyable dining experience every time they visit. Laura will be joined in Sydney by her partner Luke and they both look forward to becoming members of the Chatswood Golf Club family. Laura will be available for all your day to day, events and function enquiries. She will ensure your event is something to remember!

Chef Ryan, Megan and Laura had the pleasure of meeting some of you at the 2009 AGM. For those that have not yet met the new members to the Chatswood Golf Club team, come in any time from Monday June 1st. They look forward to seeing you very soon!
